Tell me something
GOOD
AND BE A PART OF IT!

Every pledge is a vote for hope.

*Every gift has the potential
to become good news
for someone else.*

Tell me something good –
and be a part of it

Every pledge the church receives helps us to tell the good news and to be a telling presence in our community. If you have never pledged, consider making this the year that you begin.

Every pledge has a positive influence on the people we serve, including you.

Tell me something good about
tomorrow – and be a part of it

Doesn't it make us smile when the children skip down the aisle to and from the children's moments? Every dollar we pledge to First Presbyterian is an investment in the future. Those babies and children will become our teens, our young adults, and our future leaders. Now that's a gift worth giving that creates a brighter future.

Tell me something
good about our city –
and be a part of it

Your giving allows our church to meet the needs of so many. We are the hands and feet of Christ: collecting food for the hungry; filling backpacks for students; preparing meals for Josephine's Place and the Rescue Mission; and donating clothes for Wellspring. You are a part of this!
